OMB No.: 0938-

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: Missouri

MORE LIBERAL METHODS OF TREATING INCOME
UNDER SECTION 1902(r)(2) OF THE ACT

☒ Section 1902(f) State

☐ Non-Section 1902(f) State

To the extent of approval granted for State Plan TN No. MS-88-15:

IN-KIND SUPPORT AND MAINTENANCE - The value of any in-kind income is generally not considered for purposes of determining eligibility.

TITLE II OVERPAYMENTS - Any OASDI recoupment amount being withheld from current benefits is not considered income. The amount being recouped due to an overpayment is not considered regardless of whether the claimant's Medicaid eligibility was determined using the overpaid benefits at the time the overpayment occurred.

DEEMING - When eligibility is being determined for a person who lives with his/her spouse, the income of both is compared to the SSI maximum for a couple, regardless of the amount of the spouse's income.

MONEY DUE AN INDIVIDUAL - Eligibility is determined on the actual amount of income a claimant receives as opposed to the income due an individual. For example, if the claimant was due a rent payment of \$200 but it is verified that he received only \$175, \$175 would be shown as income.

Refer to State Plan TN No. MS-88-15 for applicability to additional persons which are still under appeal.
